GOD'S HOLIDAY

God decided to take a holiday and sought advice as to where he could get away from the demands of the people. One angel suggested he go to the top of the highest mountain on earth but the other angels thought this a bad idea since people climb the mountain regularly these days. Another suggested the depths of the sea but again that was rejected because people could find him there. Another suggestion was to hide on the far side of the moon but human beings are even now going to the moon, Then a wise and trusted angel said quietly: "Go and hide in the human heart—people will never dream of searching for you there"

"We travel long distances to find God unaware that God is with and within us"

Anthony de Mello

Pointers for Prayer

- ◆ Often we feel the immensity of the mystery of God—and rightly—and yet, God is nearer to us than we are to ourselves (St Augustine)
- ◆ Part of Spiritual maturation includes realising that the love of God must come from within my deepest self—nothing less is "adequate"

Prayer

God is wisdom, your word lies deep within us, in our conscience and in our hearts. Help us to embrace the journey inwards that we may know true conversion. Help us embrace the journey outwards, that we may love you with all our hearts in our neighbour in need.

We make our prayer through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God for ever and ever.

Amen

On behalf of myself and my family, I would like to take this opportunity to thank all those who sent cards, flowers, and messages or travelled to Liverpool for the funeral of my Mum last week. I was completely blown away by the support and love from the parish here in Kilburn. Your support meant a lot to me personally and I am extremely grateful. This coming Friday I travel to Lourdes as Chaplain to the Irish Cystic Fibrosis Group. I promise to remember you all at the Grotto.

Terry

Life is a journey. When we stop, things don't go right.
