Monday night in Manchester-United in grief with them

Along with people of goodwill across the world we want to reach out with love to all those affected by the events of last Monday in the Arena Theatre in Manchester. We will remember them at all our masses this weekend. The following message was received on Tuesday, "I am deeply saddened to learn of the injury and tragic loss of life caused by the barbaric attack in Manchester, and I express my heartfelt solidarity with all those affected by this senseless act of violence. I commend the generous efforts of the emergency and security personnel, and offer the assurance of my prayers for the injured, and for all who have died. Mindful in a particular way of those children and young people who have lost their lives, and of their grieving families, I invoke God's blessings of peace, healing and strength

upon the nation."
